maurices

Brian Thun

SVP, Chief Financial Officer

Brian Thun, senior vice president and chief financial officer, has been with the company for more than 20 years. Brian assumed his current role in 2012 after holding the position of vice president, controller for the previous eight years.

Brian oversees all financial functions for the **maurices** brand, including financial planning, inventory systems and real estate accounting. He also has responsibilities for store planning, loss prevention and purchasing. One of Brian's key functions is partnering with Ascena and outside vendors to ensure strong accounting measures are upheld throughout the organization.

Prior to joining the **maurices** team, Brian worked in public accounting. He holds a Bachelor of Accounting degree from St. Cloud State University and is a CPA. Brian is an Area Partnership for Economic Expansion (APEX) board member in the Duluth, Minn. community.
